

Beaufort Middle School

Vision/Mission

2019-2024 Vision: Beaufort Middle School envisions a school where all students pursue excellence both academically and socially through the arts.

2019-2024 Mission: Beaufort Middle School provides a safe learning environment for all students to develop world-class knowledge and skills, and the life and career characteristics of a South Carolina Graduate through a challenging arts-integrated and classical curriculum.

Beaufort Middle School Values 2019-2024

1. All staff have high expectations for student success and work individually and collaboratively to create conditions that promote student success.
2. Students advocate for their own success through accepting responsibility for their learning, decisions, and actions.
3. Students become actively engaged in and give their best effort to academics and school activities.
4. Students conduct themselves in a way that contribute to a safe and orderly atmosphere and protects the rights of others.
5. All staff and students are committed to provide an emotionally and physically safe, supportive environment with respect for the rights of others.
6. The curriculum and instruction stimulate active student engagement through technology, art-integration and project-based learning.
7. The curriculum and instruction are culturally responsive, recognizing and providing for individual student differences and interests.
8. All stakeholders value, support and engage in the arts.
9. Students, faculty, and administrators work collaboratively to build students' capacity to conduct themselves more effectively as learners.
10. People are sensitive to one another's needs and treat each other with respect and kindness.
